Senate Agenda 10/15
Associated Students UCSB 76th Senate

Zoom Link

This meeting was called to order at 6:38 PM in the Flying A Room by Evan Sussman

A) MEETING BUSINESS

"Before we begin, we call for students to acknowledge that the lands that the University of California locations were built upon were expropriated & founded upon exclusions and erasures of Indigenous people's human rights throughout California. UCSB is built on Chumash Land, specifically that of the non-federally recognized Barbareno tribe. As an association that pushes the student bodies' voices to the forefront, we should aim to make strides past just acknowledgment to those who continue to fight for their right to be recognized & respected as the original stewards of this land. I ask you all to dedicate time & care to personal education & to advocate for justice alongside Indigenous peoples."
